ABOUT ME

I am a Visual Communication Design undergraduate at Universitas Tarumanagara with experience in graphic design, digital illustration, brand identity development, and motion graphics. Through academic projects and university committees, I have developed skills in translating concepts into cohesive visual solutions, collaborating across teams, and supporting projects from ideation to execution. I am eager to contribute my design skills and creative problem-solving abilities to professional projects while continuing to grow as a designer.

EDUCATION

Universitas Tarumanagara (Sep 2024 - Dec 2027)
Visual Communication Design
GPA: 3.89/4

EXPERIENCES

Crebo 2 Committee - Illustration Division

Universitas Tarumanagara | September 2024 - February 2025
Selected to be a committee member as part of the design team for Crebo 2 event.

- Illustrated digital assets and promotional visuals for social media and print materials in line with the event's visual direction.
- Developed character illustrations to represent and support the event's theme.
- Collaborated with cross-functional committee members to deliver visual assets for event promotion.
- Supported event production through 3D decoration development and on-site venue setup and teardown.

Crebo 3 Committee - Graphic Design Division

Universitas Tarumanagara | April 2025 - September 2025
Selected to be a committee member as part of the graphic design team for Crebo 3 event.

- Designed promotional graphics for digital and print media to support event communications.
- Developed Instagram feed layouts to maintain visual consistency across promotional content.

- Designed the official committee T-shirt, contributing to the event's merchandise and visual identity.
- Coordinated decoration planning and installation with the Decoration Division.
- Managed merchandise booth operations, including customer service, cash transactions, and sales recordkeeping.

Astarika Committee
Universitas Tarumanagara | April 2025 - September 2025
Selected to be a committee member as part of the design team for the Astarika event.

- Designed and laid out certificates for competition winners.
- Assisted in coordinating and accompanying judges during the event to ensure a smooth experience.
- Participated in the Illustration Competition as a contestant.

Sloosh!
Entrepreneurship Course Project | March 2026 - June 2026

- Conducted customer interviews and selling-location research to identify target audience needs and market opportunities.
- Co-developed the brand identity, including naming, logo design, color palette, packaging, and marketing strategy.
- Coordinated product development, budgeting, ingredient sourcing, product photography, and promotional content.
- Supported inventory management, financial tracking, and sales operations, contributing to sales of 70+ beverages over three days at a product showcase.

SELECTED PROJECTS

Digital Comic – Webtoon

- Developed a five-episode digital horror webtoon, encompassing story development, copywriting, character design, panel composition, and sequential illustration.

Motion Graphics

- Created motion graphic videos, including a Traveloka advertisement and an educational video explaining the Sustainable Development Goals (SDGs)—using animation and visual storytelling to communicate commercial and educational messages.

Beverage Brand Identity Design

- Developed a beverage brand identity encompassing logo design, packaging, mascot, color palette, posters, and digital advertisements for a public product showcase and sales event at Lapangan Banteng.

Promotional Design & Layout

- Redesigned promotional materials across multiple formats, including restaurant visuals, brochures, and billboards, with a focus on visual hierarchy, readability, and information presentation.

2D Animated Social Campaign

- Illustrated and produced a two-minute 2D animated social awareness video using Procreate, then compiled and edited the final animation in Canva to communicate the campaign message through visual storytelling.
